I have grown up in Montana camping hunting fishing 4 wheeling etc. This place is HOME! I wish for my little girl whom is 4 years old, to grow up with the same experiences in the mountains lakes streams hiking trails and so on. If anything id like to see MORE opened up. More campgrounds more places to recreate! I know part of the problem is budget... rather than shut down n tear up what we already have to meet budget.... why don't we create ways to improve or budget??? Wyoming and sd are perfect examples of how the public supports the outdoor use... a simple \$20 dollar sticker adds up to alot of budget YEARLY! HELP US SAVE OUR CHILDREN'S FUTURE!
