Comments:

The US MUST take the greatest measures possible against the pressure of human encroachments on our precious, natural, all-life sustaining ecosystems!

Please adhere to

Alternative D as it beneficially and sensically creates 39 Recommended Wilderness areas totaling over 711,000 acres, including the Gallatin Range, Lionhead, Crazy Mountains, Bridger Range, Cowboys Heaven, Deer Creeks, Line Creek Plateau, Emigrant Peak, West Fork Rock Creek, Red Lodge Creek, Pryor Mountains, and Tongue River Breaks.

Thank you for your mindfulness of our crisis to exist on this planet - along with all the other interconnected species of flora and fauna we are responsible for!
