US Forest Service,

I own and operate two outdoor stores in Billings and Helena that I started in 1975. Having wild lands not only draws tourism to Montana, but provides places to rec create to our residents. Thios is very important to my two stores. The Pryor Mounatians are a unique and beautiful island mountain range in Montana that deserves Wilderness protection. I urge your designation of four recommended Wilderness Areas in the Pryors to help preserve this special place: Bear Canyon, Big Pryor Mountain, Punch Bowl RWAs, and an enlarged Lost Water Canyon RWA.

Thank You,

Scott Brown
