Dear Custer Gallatin National Forest:

I am writing this to show my support for several alternatives during the CGNF revision plan.

Concerning the Ashland Ranger District, I have floated the Tongue river in canoe numerous times with family and friends. We enjoy the solitude, the beauty of the breaks and the quiet peace only found in the big open prairie. Additionally, I actively hunt King and Cook Mountains. I urge CGNF to protect the beauty and solitude of these lands by managing them for wilderness characteristics and support Alternative D. I also employ CGNF to block motorized use and designate a Backcountry (?something?) (Alternative D) in Chalk Buttes. lastly I urge CGNF to partner with tribal entities in the stewardship of culturally important lands like the Crazy Mountains and Pryors. This ultimately creates a more durable management plan. Thank you for considering my comments.
