I am outraged that you want to turn over the Custer Gallatin National Forest to self absorbed assholes who are all too willing to tear up our dwindling unspoiled natural places. I have seen the utter destruction motorized vehicles did to the Pikes Peak National Wilderness area when I lived there. All that was left of what was once beautiful forests were bald barren eroding mountains of dirt. All the vegetation had been torn away by these loud polluting vehicles. All the wildlife had been terrorized away. And for what?! So some self absorbed redneck assholes can puff up their tiny little redneck egos. How stupid do you want to be? This is an utterly deplorable and stupid way to way 'fun'. It is DESTROYING the planet. THIS IS NOT FUN; THIS IS NOT OK.
