Comments:

As an outdoor enthusiast and avid user of public lands I would like to voice my opinion for keeping as much of the Custer-Gallatin NF open to recreational use. I support the Gallatin Forest Partnership Agreement and want to see continued mountain bike access to the Lionhead. I would like to see this area managed as a Backcountry Area under the outlined Alternative E.

As a user group, mountain bikers are extremely responsible and considerate stewards of the land. We appreciate the opportunity to explore and experience our shared land, and unanimously work to improve designated trails and future experiences for all users.

Thank you.
