Subject: [Website feedback] Conserve more, Not less!

Sandra Rakestraw (not verified) (srakestraw@charter.net) sent a message using the contact form at <http://www.fs.fed.us/about-agency/contact-us>.

Message

Thank you for considering the best option, D, to save these special, sacred, and irreplaceable and unique places. As a nation, we have come to realize the importance of saving these special places from human encroachment and predictable damage and harm, especially to the other inhabitants who depend upon them for survival! We are hopeful for good news regarding total and complete protection all these areas. Thank you!
