AR Comments on the CGNF DEIS and Draft Plan

Dear Virginia and the ID Team,

Attached are American Rivers' comments on the Custer Gallatin National Forest's DEIS and Draft Forest Plan. I also submitted them through the electronic portal, but the automatic formatting did not improve the readability of our letter, so I've attached it here as well.

Thank you for your hard work on this important process. I know that it's not an easy undertaking.

Sincerely,

Mike
