Comment draft plan - CGNF

May 11, 2019

Forest Plan Revision Team

PO Box 130

Bozeman, MT 59718

Dear Revision Team,

Thank you for the opportunity to comment on The Custer Gallatin National Forest's Draft Management Plan. Specifically, I am commenting on the Absaroka Beartooth and Madison, Henrys Lake, and Gallatin geographic areas. These areas provide valuable wildlife habitat, headwater streams, and diverse recreational opportunities within the Greater Yellowstone Ecosystem.

We have to make sure that this area is protected from special interest who will do anything for money. This land belongs to the wildlife on it and the people who really care about it.

Thank you for taking the time to read this letter.

Sincerely,

Brenda

Respectfully,

Ms. Brenda Frey
