Comments:

Wilderness in the Absaroka Beartooth area, and additionally the recommend Dome Mountain, Emigrant Peak, Chico Peak, Woodbine, East Rosebud to Stillwater, and Red Lodge Creek need protection forever and in the meantime these areas need to be managed like wilderness where access is restricted feet and horses. Once roads and tracks appear they will be there for near forever. Please do the right thing and be sure that my grandchildren and their grandchildren will have these places for low impact use and the spiritual renewal offered by wild places.
