Comments:

Hello,

This is just a simple comment to voice my support for continued access for bicycles in Lion Head. I'm a hunter and a hiker but removing access to a usergroup that helps to maintain the trails is wrong. It's easy for me to find places where bikes can't go if that's what I'm looking for. My goal is for adjustments so that these areas can be protected without the exclusion of bicycles.

Thanks,

Dylan
