I support tightening up any language that further clarifies that bikes and all mechanized equip be excluded from wilderness. i believe group size in wilderness should be reduced to 12 max, instead of the current max of 15. I believe strongly that recommended wilderness be managed the same way as designated wilderness and should not allow mountain biking or any other form of mechanized or motorized use. The should be wilderness in the Pryor mts. I support wilderness for lost water, big pryor, punch bowl, and bear canyon. Similarly I support wilderness in the Crazies. Maintain wilderness protections in the recommended wilderness of Lionhead. I would like to see recommended wilderness surrounding the Absaroka-Beartooths including Dome Mountain, Chico Peak, Emigrant Pk, west woodbine, the E Rosebud to Stillwater, and Red Lodge Creek. I support Alternative D!
