Custer Gallatin

In my eight decades, my most cherished memories are of hiking, skiing, climbing, and backpacking in the Gallatins, Bridgers, Spanish Peaks, Absarokas, Beartooths. and Crazies. The opportunity to get away from the bustle of civilization is invaluable. Our sanity depends on it! Sadly, encounters with mountain and trail bikes detract from these experiences. Please maintain the wilderness character of these precious areas to the maximum extent possible. I endorse Plan D.
