Ms.Mary Erickson

Forest Supervisor CGNF:

Thank you for allowing me to comment on the CGNF Management Plan.

1. I believe it is imperative that recommended Wilderness be managed exactly as designated Wilderness with only foot and horse travel and prohibiting mechanized and motorized use.
2. Protect and preserve the wilderness qualities of the Crazy Mountains and the public's right to access those lands. Partner with the Crow Nation in managing the cultural values of this beautiful island Range.
3. Implement the Gallatin Forest Partnership Agreement
4. I traveled the CDT through the Lionhead, please maintain the boundries of the recommended Wilderness in the Lionhead.
5. Keep the recommended Wilderness areas in the AB area and consider including Dome Mountain, Emigrant Peak, East Rosebud to Stillwater and Red Lodge Creek.
6. Manage the Tongue River Breaks as recommended Wilderness

Thank you,
Patrick McGuffin
