Comments:

I support option C , Implementing the Gallatin Forest Partnership agreement. This agreement already has wide support.

It would:

Protect the Crazy Mountains and work on this preservation with the Crow Nation

Protect roadless areas in the Pryor Mounters as recommended Wilderness: Lost Water, Big Pryor, Punch Bowl and Bear Canyou.

Matinatr current boundaries at Lion Head

Retain wilderness areas in the Absaroka Beartooth area, and extend this designation to Emigrant Peak, Chico Peak, Woodbine, East Rosebud to Still water, Red Lodge Creek and Dome Mountain.

Manage the Tongue River Breaks , King Mountain, and Cook Mountain.

Allow only foot and horse to travel in wilderness areas.

We need to preserve nature, not destroy it.
