Please provide continued protection for the Absaroka Beartooths, Crazies, East Rosebud and Tongue. My grandsons from Houston grew immensely just experiencing these areas, hikig, eating berries they never even heard of and camping outdoors! I have benefited for 50 years of backpacking and hiking and helps reduce the need for alternative mood elevation!.. Now that I have had a knee replacement, please keep non motorized areas for us old folks.

Please minimize the mechanical/clearcut logging. There are 100,000 of clearcut forever miles already!
thanks
