Comments:

Please reconsider your plan for the Custer Gallatin National Park.

The plan is almost exclusively for the benefit of weekend visitors and motorized off the road vehicles. It is necessary to provide grazing lands and a environment for the wildlife if we are to maintain a park that is reflective of the nature we are trying to preserve.

The more you allow the public to use the park for unlicensed and uncontrolled activities, the more you are destroying the character of that park. Our family prefers a peaceful getaway that renews our love of nature. please ensure that Custer Gallatin remains that way.
