Comments:

Dear Supervisor Erickson,

We are familiar with the Crazies, and we strongly urge you to recommend designation as wilderness for all remaining wild lands in the Crazies. (Alt D with larger boundaries)

Keep it wild: no new roads, no conversion of trails to roads, no private road easements, no motorized vehicles or mechanized traffic in the core of the Crazy Mountains.

Keep areas without trails remote and trail-less.

We hope the Forest Service will manage the Crazies in consultation with the Crow Tribe. Respect tribal requests to fully protect the remote natural character of the Crazy Mountains and honor and respect Crow traditional cultural practices.
