Please consider the following:

Expand the Grizzly Bear Recovery Zone to include all of the Absaroka Beartooth, Bangtail, Bridger, Crazy Mountains, Gallatin, and Henry's Lake and connect Yellowstone grizzlies to Glacier National Park grizzlies.

I ask that Hyalite Porcupine Buffalo Horn Wilderness Study Area become wilderness.

The grizzly bear needs protecting and we must restore as much habitat as possible. It is crucial that they have secure wild habitat void of mountain bikers and ORV's.

Grizzly bears have a cultural significance to Native Americans.

Thank you.
