Please dont take more land from us. My family and love the out door . It seams like more and more land is being locked down. This is not fair. I dont agree with any of it. I moved to this state because of the hunting fishing snowmobiling and ridding trails in the summer. And each year that goes by I fined more places shut down no access. Are you trying to make this California?

You just keep taking and taking. How about we all just dont pay taxes then you wouldn't have the funds to locks us out of the great out doors. Pissed and disappointed. This government seems to muck everything thing up. I dont think you have the people in Montana in mine. You sold off are national parks this is next. This is ns
