I am writing in particular to encourage the protection of the Crazy Mountains. They have incredible wilderness values and are very special to me. In fact, I got married in the middle of the Crazy Mountains and they are a unique part of our wonderful state and really matters to me. In addition, I would encourage the protection of the following areas in the Pryor Mountains as recommended Wilderness : Lost Water, Big Pryor, Punch Bowl, and Bear Canyon. As far as the Lionhead area goes, I would like to see the maintenance of the boundaries of the current recommended Wilderness. In the roadless areas that surround the Absaroka-Beartooth Wilderness, I support protecting as recommended Wilderness : Line Creek Plateau, Red Lodge Creek-Hellroaring Plateau, North Fork, Strawberry Creek, Chico Peak, Emigrant Peak, and Dome Mountain. Lastly, I feel strongly that recommended Wilderness should be managed as though it were designated Wilderness. No mechanized or motorized use should be allowed. Thank you.
